EDUCATION

- 2015 - 2016 **Art And Design | Coventry**
Foundaion
My foundation was art and design. The main course has two parts which include language and profession. During that period, I knew the art history and studied how to research, thought and analyze a theme. I tried many new things about art thecnology. So this laid a certain foundation for my university major.
- 2016 - 2018 **Media Production | Coventry**
Humanity - Media Production
I will soon be a third year student in Coventry University. In my last two years, I learned a lot. From fan- fiction to short film; documentary to boardcasting; personal work to team work. I studied re-production, production and pro- production.
